YA fantasy suspense

Orphaned Jonathan Palmer is a fifteen year-old stowaway aboard the doomed ship, The Convert which was part of the fleet that crashed into the reef on Grand Cayman in 1794. This famous shipwreck was known as **The Wreck of the Ten Sails**. Jonathan was not lucky enough to survive the wreck along with eight other seaman. Problem was, no one ever knew he was even on board. Two centuries later strange sightings of ghost ships, screams and eerie lights have been reported coming from the east end of the island.

Fairy tale rewrite

It is told here in a fascinating new version, set circa mid-16th century. Younger readers will love the borrowed magic that enables Ella to attend the ball, while older readers -- including adults -- will connect with the inseparable bond between mother and child; a bond that transcends time and space and even death itself. Ten years later, when the King throws a ball in honour of his son, Ella's only chance at happiness comes from a most unexpected source.

CHILDREN'S BOOKS

Heroic fantasy series for children 8-14

Righteous motivations drive Jack and Nikki: to protect the weak, confront evil, conquer their fears, and gain courage. Nikki and her impish cousin, Jack, find a mysterious black pumpkin in the forest on Halloween. A wise talking skeleton, Wishbone, tells them that the ghosts of the Trinity of Wishmothers are trapped inside. The children offer their help, so the skeleton takes them on a journey to the realm of Creepy Hollow to retrieve the three wands he hid long ago in Red Crow Forest, the Tower of Shadows, and the Cave of Spooks.

Book 2

On her 13th birthday, Nikki discovers she has magical powers. Nikki and Jack return to Creepy Hollow. Plenty of righteous motivations drive Jack and Nikki: they protect the weak and confront evil. They conquer their fears and gain courage, and in the final battle against Evila and her minions they grow into the warriors they were destined to become.

Pico, the parrot, is sad and frustrated. He screeches and squawks all day but because he speaks Spanish, nobody understands him. His story teaches children acceptance, compassion, and helping others.

The purpose of this English and Spanish bilingual book is to show children the beauty of another language and that learning a new language doesn't have to be boring, it could be fun. The story also delivers a message that when we don't take the time to listen to each other, we tend to judge others quickly before we get to know them.

Self-help

Grandma often took me on trips to the fields, meadows, and into the woods or along the riverside to collect herbs. When I studied Alternative Medicine, I learned what I could have learned from Grandma, how to ease the constriction and tightening of the muscles surrounding the airways, inflammation, soreness, swelling, and irritation of the airways in the lungs. Although there is no cure for asthma, the symptoms can be managed with medications, dietary changes, and prevention with alternative methods and the elimination of environmental triggers.
